Corrigendum

Subject : Regarding corrections in the text on pages 55, 77 and 109 of Balbharti's Mathematics Grade 4 (Marathi and English Medium) textbook.

In the Mathematics Class 4 (Marathi Medium) textbook on page 55, in the question number 1 in Exercise, 'Match the pairs', in Group B, instead of 'more than 1000 grams', 'more than 1000 kilograms' is being changed. Also, on page 109, instead of 'finally on 27 April 1920', 'finally on 26 April 1920' is being changed.

On page number 77 in the Mathematics Class 4 (English Medium) textbook

Instead of the following lines,

'4 notes of 10 make ₹40 or 40 units of ₹1. $40 + 9 = 49$ units

of

₹1.49 rupees are equally divided among 7 people'.

It should be read as follows,

4 notes of 10 make 40 or 40 units of ₹1. $40 + 9 = 49$ units

of ₹1.

49 rupees are equally divided among 7 people. This change is being made.

Also, on page number 109, 'Finally he passed away on April 27, 1920' is being changed to 'Finally he passed away on April 26, 1920'.

The said changes should be brought to the notice of all the other concerned elements related to the teaching-learning process at the school level. They should be given instructions on the action to be taken in this regard. The said corrigendum has been made available on the website of the Textbook Board www.ealbhharati.in.
